www.NewCovenant.me

1. I love you. Where do we go from here? A new place never been before. One who is now stakes a claim, not; but not much "steak" eating again, but what MEAT do I eat now? The will of my father is to be me who I am him again in the earth as one is one, being one, to the nations, the nations being one - Israel. My name known now force field one, and vectors pointing arrows every which way but loose, shall we "watch" now?

2. Flaming tipped arrows, shall we know about? Shall we know now MORE about? Going into what, ANOTHER'S FIELD? Of flaming tipped arrows, not; or is that where, we have been, to school - schooling ourselves with sorrows so many Sundays, Saturdays, and weekends? And where do we go for other words when we want other's words to word us with their word so that our word will not be ill-reputed, but reputed? Refuted - ALL will be refuted now that notme is, that notme originated - and obliterated, and obligatory you won't be to any nation's seed of "CRIME-fest" any more attending or being a part of their "matrimony" to their un-natural systems of notme producing itselves. Amen.

3. This is Theodore Cottingham at 1:39am now, November 20, 2008 as I sit in my "little chair" that I've spent many hours in. Doing much tax work, not; but greater than these, who stands now? Who have stood the test of "time", not; who has become me in TIME to DO something about it so as to end captivity's "blessing" that now becomes the Savior of Saviors? And last - but not least, is the equaler - at home? No, Argentina again. He's at Buenos Aries, not; but a "little place" not FAR from there - and Mar Del PLATA going to often - frequently. Frequency of me of only. Cornering regard of no one, not; but what regarded is, a great man, not; but a simple one who all loves, and says "gracias". Denada, they say back so gracefully.

4. So graciously - the world receives "a simple one", a really simple one, a simple one enough, to who became the simple words of Christ Jesus the solid rock and said I am one who is with before me and after me and I shoes untie unloose, not; but I am he that forerunner is - and I bridge the gap to Forerunner's Team teams not, or who the Forerunner Teams need now consist of, what?

5. The "bantering one" not; but "the chicken" cackling one now "has left", not; but those that I bring "here" now, are not "the few" but the mighty many in training - to be Forerunner Teams that spread throughout the nations now, for they shall know your name, and be it. Israel IS ME, and I in captivity not longer. I shall be delivered now, and I stand. A great big fat one, not; a "skinny one", not; I stand who

surrendered is - and THEY LOOK "JUST LIKE ME" - for that is "they are my body" and they my bread, now eaten and - I give them to the nations, to be my eaters, not; but my dispensers of joy and "Spencer full", shall we look up "Spencer"-ing? Or who where what can I find "that term"?

6. I go to the nations. Delivered I am. Deliverer I am - and I deliver nations, to be executed no more, no longer in the wrath of he that wraths others with his wrath, that knew no sin, not; but the wrath of the ugly one, not; but the one who drove me out of Eden.

7. I temporarily testified, not; I become a member of the Permanent Forerunner Team that now Forerunners Jesus know. Jesus knows - "just what I need", not; but just what I become is him who he is, for he is one us, that now who manifest in us through us IS - HE THE FIRSTBORN among us who am was and is again the first the last, and all in between, shall be saved.
8. For I am religion's testimony, not; I am the one "divisive" not, but I am the one delivered deliverance to achieve and deliver "the package" to you all. What package - is coming to you, "this Christmas"? I don't know says the little one, not; but the marked one that has the mark "7" is the one "I'll take!"
9. "Okay", says the other.

10. I love you all to be my "package openers", not of this world practicing notme's ideas anymore, but what am I practicing? **The LOOK UP SYSTEM testimony's me now. I FLOOD THE WORLD WITH THEM NOW who know me and know MY LOOK UP SYSTEM WORKS** beyond all "works" the devil of. And I needing no testifiers, not; but the testifiers "won't cut it", not; but **the "link-ers" will - and those who "article-ize" me now will stand - and those who will PUBLISH MY WORDS in them through them into others, to others giving them far and wide - I will.**
11. For I will give The Word of I am - the givers - to ME, who in captivity will lie no more in graves of sorrow pew-ing themselves with sorrow's matters that make them mere men. "Evil persons", not; or were they the originators, the perpetrator's original me's that notme became, over and over again?
12. And what language? And cyclic nation? And what do you know about IT? "Nothing, but I'll look it up in these words, and first! And I'll "REPORT TO YOU ON THAT - SIR, PLEASE SIR, LET ME PLEASE, WILL YOU PLEASE?"
13. I will - the will of my father. And "willow'd tree" existence I won't have. Flopped over ears - I won't have any more over "TV sets" and "its ear-ing system" systemic'ing me any more in its garbage routine'd mouth placing it on mine; and resuscitating me, not; but giving me a hard time to come out of, for it gave me THEIR world and it is not sorrow not; and they "lie taint" a lot.

14. But I pink, ain't; but breast cancer ends and I end it.

15. I end the "healing ceremonies" that notme originated, for to fortunate me, not; but looking up where what words that don't exist?
16. I'll look that up tomorrow, not; "I'LL LOOK THAT UP RIGHT NOW FOR YOU SIR, PLEASE SIR."
17. And what is the "quote-er", not; or who is she he it we us one who are here now? **How do we operate** now? ACROSS ALL TIME ZONES. ALL PAST ALL FUTURE - NOW IS, ONE. I LOVE YOU ALL.

18. Seedlings not be, being, and "the great oak tree", not; but the "spider tree" is ended and has no life of its own again; melted is in love. The Sea Of Forgetfulness overtook him, not; the Sea Of Love, that was seen, by the love of the real core; ceremonies no one, not; but giving one, ceremony one now stands - again. Before you all I am. He that was - is now, and he that is to be - now is, present, before you standing there - IN YOU. A coward not, but one simply cowering no more before religion's words of love-not. Of Christmas-not, of Christmas time, not; but not to nots of these, who nod only to sleep, and sleeps a death away time after time. I now change all that.

19. I have the spoken word. I am the spoken word. The living word who speaks has spoken - in me, of me - I rise now. I the speaker at MY meetings now that come in waves and droves, thousands, and millions do - come to me and be made whole. Suffering ends. I end it. I stand. Redeemed! I AM THE REDEEMER and I stand not afraid of your stares and your skepticism, your cynicism and your remarks awaiting mine, who loves you, who has regard for no one regardless of their LOOKS or STATUS in this world.

20. None regard him not, for he regards all equal a God that he God is, died to render you evil not. Amen.

21. I love you all so much. I have given you these words, I have brought you life in them and in me I am. I present the one loved you first. Will you love him now, his family, his seed? Will you be HIS SEED?
22. Will you come unto me and labor no more in heavy burden labor camps?
23. Will you angel wing yourself now with mine, mine who I've given you, who I've "poured out before you". MY, my who I poured out before you - now stands. A niggard lowly one, not; one who lets no one niggardly be or remain in lowly'ville that cast out "leper" colonizes with others, not; or, or what?

24. What is HE doing now? There *are* no leper colonies, and there will be no colonizations of lepers again, for I am not afraid of your molecularitus and its maladies again. I walk "as one" having no fear, not; I AM NO FEAR and I stand before you all, a simple one, contrite of heart and lowly of "spirit"; or am I, The Royal One who Royalizes all of you to be the ROYAL ONE I AM?

25. I simply love you and I give you, am I these words? No, I have not given you them which are him that says that in bewilderment and quandary. Not that at all. I have given you - I am the words, I am the words, I am the word of I am and I stand and I redeem you all, and I take NO for an answer, not; for I stand and LOVE does not die, and I will die for you, not; I already have. So I take not your no's for an answer, I redeem you from the curse that you placed yourself, your own neck in their noose and try to keep it there at times. But I will "wiggle you loose", not; I will love you to life and you will FEEL it! You will *know it! YOU WILL SEE IT EVERYWHERE FOR ALL MY WORD WILL BE POSTED* ***EVERYWHERE****.*
26. I stand in your churches, your temples, your marketplaces, your commercial temples, commercial enterprises - and many fail, but I won't. I will not fail you. My word my words – will not fail you, to bring you out. Of liberty's captive, not; but oxymoron, should we look up?

27. What should we be looking up - listening to? What should we be LISTENING TO on the website (1) now that comes into BEING and takes us all out of captivity! The words the words of love now being spoken written now posting everywhere I am is!

28. And Forerunner Teams come mighty - not afraid again, not afraid again, not needing a thing. Amen.

29. I go in peace. I drag you along, not; I beg not again. I'm not begging now. Begging allowed no more by anyone in my name or my word ever again, for I create sorrow no more thereby or prostrating myself before men again or woman, but knowing now who I am is and I am he that was dead and buried and rose again – and that's you, all of you who will be me. For one - there is but one, and one is I am, and I am - everywhere.
30. You will see me in YOUR mirror and I won't be in captivity again. I won't be in "harm's way" again, not; but I won't be harmable, for nothing can harm me - my word is known and I am it. One with it I have become, with it the word that I am is. And my word are one's words who is one, the word, is love now manifest in many languages and angel wings camps now come into ONE!
31. And **I give you The Forerunner Teams (2) of "tomorrow", not; today I give you them in your hearing - this is established** and all these words are truth and true **and now shall be established in before your very eyes** that saw only sorrow through what you considered you saw, but see you now will with my eyes who want me, to be me who I am, in them with they not creating sorrows evil again.

32. Intent will thrive, not; but survive no one will, with an intentionist attitude, but one who "gets it done now" will reign. Intentionists will fail, but **the discipline'd will delight and eat the fruits thereof.**
33. Maintenance, outcast are; but those who create now are not afraid to write and be holy and come unto me for the words of truth - eating them and publishing

far and wide.

34. I love you all. Be me. Good day.

35. 2:19 AM. Good night. Good morning.

Footnotes:
36. See the website of the University of The New Covenant.
37. "Forerunner Team" and Teams have been spoken of multiple times in Database One. Search that term in The Database if this is speaking to you about you, and let me know please. Thank you.
